

Walter L. Fox Post No. 2 News September-October, 2018

Commander's Message

On behalf of Walter L. Fox Post 2, The American Legion, I would like to extend an open invitation to all members to take advantage of our "Early Bird" membership drive. For those of you unfamiliar with this, pay your 2019 dues before October 31 and pay only \$35!

Our Post continues to thrive despite the HVAC issues! We have held several fundraisers this summer (SPCA, Stand Up for Veterans, to name a few) to assist with keeping our members entertained while giving back to the community. These events take countless hours and a small army of volunteers to be successful. We are always looking for more volunteers – please ask any Officer or The Post Home Manager how you can help! Please come out and support our 911 and Pow/MIA Ceremonies in September.

Finally, the process of replacing the heating and air-conditioning system began on August 3. We expect to have a fully operational system soon and will keep you informed of progress as it occurs. Again, many thanks for your patience and continued support during this project – much appreciated!

For God and Country,
Mike Windows, Commander

First Vice Commander's Message

As 1st Vice Commander my main responsibility is Membership. Since National has send out renewal notices for 2019, it is important to send or bring your dues in as soon as possible so the Post can reach their goal of 100 %.

Don't forget—Early Bird dues are only \$35 until October 31st. That a \$5 savings, and that little bird on your membership card gets you in to the Early Bird Party on

Membership is the machine that turns the cogs of any organization. Your membership in the American Legion helps fight the fight on Capitol Hill for the benefits that all veterans were promised. As the largest veterans organization, the Legion has a large voice to make things happen. And we can speak louder: If every member went out and recruited one member, we could double the noise. Think about it.

Respectfully submitted,

Charles J. Parisan, 1st Vice commander

Non-Smoking Question

In accordance with action by the Post General Membership, March 12, 2018, the "Smoking/Non-smoking question was removed from the May Ballot. Instead, the Post invoked a trial period wherein the Fox Lounge, entrance foyer and bathrooms, along with the office spaces, will be non-smoking. The downstairs Clubroom, including the Pool Room, remained as a smoking area for Legion members and their guests. Trial period extended from April 24–August 13, at which time the General Membership voted on the issue. Friday night Bingo will remain as a smoking function; Parties renting the hall will decide whether their function will be smoking or non-smoking. Clubroom and Lounge will be open for the same hours, with the exception of Sunday and Monday, when the Clubroom will be closed.
